Neptune's Harvest Fish & Seaweed Fertilizer 2-3-1 is a highly concentrated liquid fertilizer perfect for all plants, flowers, trees, shrubs, lawns and turf. Use indoors or outdoors - safe for all garden applications. Apply any time during the growing season.

Neptune's Harvest Fish & Seaweed Fertilizer is a cold pressed formulation meaning that all the natural proteins, enzymes and amino acids found in fish and seaweed are retained and readily available for the plants to absorb either foliar or by their roots. Mix 1 oz. with one gallon of water. Compatible with sprayers and drip irrigation lines.
